

Two severe cases of Ovarian Trouble and two terrible operations avoided. Mrs. Emmons and Mrs. Coleman each tell how they were saved by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I am so pleased with the results obtained from Lydia E. Pinkham's Vegetable Compound that I feel it a duty and a privilege to write you about it.

"I suffered for more than five years with ovarian troubles, causing an unpleasant discharge, a great weakness, and at times a faintness would come over me which no amount of medicine, diet, or exercise seemed to correct. Your Vegetable Compound found the weak spot, however, within a few weeks—and saved me from an operation—all my troubles had disappeared, and I found myself once more healthy and well. Words fail to describe the real, true, grateful feeling that is in my heart, and I want to tell every sick and suffering sister. Don't dally with medicines you know nothing about, but take Lydia E. Pinkham's Vegetable Compound, and take my word for it, you will be a different woman in a short time."—Mrs. LAURA EMMONS, Walker-ville, Ont.

Another Case of Ovarian Trouble Cured Without an Operation.

"DEAR MRS. PINKHAM:—For several years I was troubled with ovarian trouble and a painful and inflamed condition, which kept me in bed part of the time. I did so dread a surgical operation. "I tried different remedies hoping to get better, but nothing seemed to bring relief until a friend who had been cured of ovarian trouble, through the use of your compound, induced me to try it. I took it faithfully for three months, and at the end of that time was glad to find that I was a well woman. Health is nature's best gift to woman, and if you lose it and can have it restored through Lydia E. Pinkham's Vegetable Compound I feel that all suffering women should know of this."—Mrs. LAURA BELLE COLEMAN, Commercial Hotel, Nashville, Tenn.

It is well to remember such letters as above when some druggist tries to get you to buy something which he says is "just as good." That is impossible, as no other medicine has such a record of cures as Lydia E. Pinkham's Vegetable Compound; accept no other and you will be glad.

Don't hesitate to write to Mrs. Pinkham if there is anything about your sickness you do not understand. She will treat you with kindness and her advice is free. No woman ever regretted writing her and she has helped thousands. Address Lynn, Mass.

BEGGS' BLOOD PURIFIER Cures catarrh of the stomach.

Every housewife glows over finely starched linen and white goods. Conceit is justifiable after using Defiance Starch. It gives a stiff, glossy whiteness to the clothes and does not rot them. Some Peculiar German Ideas.
Peculiar ideas are held in some towns of Germany. One city council has decided that tooth brushes are a luxury, and as such should be heavily taxed. The city council of Neuss, a big town on the Rhine, founded by Julius Caesar, refused an appropriation for a boys' public bath "because it cannot be conducive in good morals when boys clad in bathing trunks only are allowed to sport around in the water."

Wiggle-Stick LAUNDRY BLUE

A Deathbed Story.
Here is a deathbed story, given, as far as I can recollect, in the words of a Roman Catholic Chaplain. The dying man asked his neighbor whether he thought he (the dying man) would go to Heaven. "No, lad, you won't," was the reply: "you'll go to hell, and you ought to be glad there is a hell to go to." Hearing that, the patient turned over, and died quite peacefully.—Pall Mall Magazine.

When Your Grocer Says
he does not have Defiance Starch, you may be sure he is afraid to keep it until his stock of 12 oz. packages are sold. Defiance Starch is not only better than any other Cold Water Starch, but contains 16 oz. to the package and sells for same money as 12 oz. brands.

May Make a Difference.
An Englishman has said sardonically, "I can remember that at the time there was so much talk about the Doge's palace being unsafe, the press of the world was loud in declaring that the antiquities of Italy are not Italian, but belong to the world. I am waiting to see, now that money must be spent to rebuild, if the world will be so anxious to claim proprietorship."

Inflammatory Rheumatism Cured in 3 Days
Morton L. Hill, of Lebanon, Ind., says: "My wife had Inflammatory Rheumatism in every muscle and joint, her suffering was terrible and her body and face were swollen almost beyond recognition; had been in bed for six weeks and had eight physicians, but received no benefit until she tried the *Myrtle Cure for Rheumatism*. It gave immediate relief and she was able to walk about in three days. I am sure it saved her life." 75 cts. Sold by Meyer Bros. Drug Co., St. Louis, Mo. Ask your druggist to order it.

Growth of the Nails.
The nails of two fingers never grow with the same degree of rapidity. The nail of the middle finger grows with the greatest rapidity and that of the thumb the least.

I do not believe Plac's Cure for Consumption has an equal for coughs and colds.—JOHN F. BOYER, Trinity Springs, Ind., Feb. 15, 1904.

One Cent Bid Not Accepted.
Only one cent was bid at an auction in Paris for two bills signed by Mme. Humbert—one for \$200,000 and the other for \$50,000. The bid was not accepted.

Those Who Have Tried It
will use no other. Defiance Cold Water Starch has no equal in quantity or quality—16 oz. for 10 cents. Other brands contain only 12 oz.

Vast Destruction by Locusts.
The Rocky mountain locust, or grasshopper, in 1874 destroyed \$100,000,000 of crops of Kansas, Missouri, Nebraska and Iowa, and the indirect loss was probably as much more.
